Day 1

Start your visit to **Milwaukee** by strolling a desert oasis, a tropical jungle and a special floral garden all indoors at the **Mitchell Park Conservatory (The Domes)** or perhaps enjoy the outdoors at the **Boerner Botanical Gardens**, an internationally-renowned horticultural showplace offering gardeners and plant lovers the opportunity to take in the colors and scents of a variety of collections and gardens. For dinner, choose among a variety of unique, ethnic and inviting restaurants in downtown **Milwaukee**. After dinner, take in a show at the **Skylight Opera House** located in the Historic Third Ward.

Day 2

Today begin with a city tour and learn about the European immigrants from Germany, Poland, Ireland and Italy that influenced this uniquely-diverse city. Include a stop at **St. Josephat's Basilica** and step back in time as you marvel at the history and beauty of this testament of the Polish Catholic faith. See the **world's largest four-faced clock**, fondly referred to as the Polish Moon among the skyline of Milwaukee. Among the fantastic collections housed at the **Milwaukee Art Museum**, be sure to stop and enjoy the unique and modern architecture of the main entrance designed by Santiago Calatrava. Spend a few moments to watch the "wings" open of the **Burke Brise Soleil**, which is a moveable, wing-like sunscreen that rests on top of the Museum's vaulted, glass-enclosed Windhover Hall. Choose from a variety of restaurants with beautiful views of Lake Michigan for lunch on your own or as a group. Further enjoy the shores of Lake Michigan with a visit to **Discovery World** and experience an awesome journey that will take you through technical wonders, mystical and innovative exhibits and natural splendor with the **Reiman Aquariums**.

Day 3

Embark on a short drive to Genesee Depot to explore **Ten Chimneys**, the estate lovingly created by theatre legends Alfred Lunt and Lynn Fontanne. Ten Chimneys is a landmark unique among our national treasures, boasting diverse collections and enchanting décor comprised of original pieces handpicked by the Lunts in the 1920s, '30s, and '40s. And the magic is undiminished. As guests are welcomed through the Lunts' remarkable creation, they are surprised and then moved by countless details. Created with the same humanizing wit and passion for perfection that distinguished their stage performances, Ten Chimneys is the Lunts' most enduring and tangible artistic legacy. For decades, their idyllic retreat beguiled and inspired the country's finest actors, writers, designers, directors and artists. Continue on to enjoy a marvelous theater experience at the **Fireside Dinner Theater**, one of the Midwest's most popular professional theatres located in Fort Atkinson, Wisconsin.
