A historic Milwaukee Pub & Grill located conveniently across the street from the U.S. Cellular Arena and a block south of the Bradley Center, **Major Goolsbys** is also a sports museum for enthusiasts and rookies alike. Locals gather here before and after major sporting events, where they can grab the best in pub grub, scan the memorabilia-lined walls and watch their game-of-choice on one of Major's many HDTV's. Goolsby's has been a premium destination for men of all brands for over 30 years, and it remains a hotspot for those primo tickets to sold out sporting events and concerts.

### **Horny Goat Hideaway**

Milwaukee, WI 53207

**The Horny Goat Hideaway** has often been questioned about its name. Some say that alternative names like "Spanish Fly Brewery" didn't quite pass the cool test. Others say it was the result of a bet at a card game. A third alternative has been rumored, but does not really need any introduction. Regardless of how this fine brewery came up with its name, it does nothing to tarnish the fact that beer is fun, brewing is even more fun, but nothing can top drinking beer with your buddies at Milwaukee's largest outdoor patio. Four volleyball courts, corn hole pits, a 50-seat outdoor bar, a landscaped patio/boardwalk area, fire pits, 10 boat slips and an area for outdoor live band performances.
